## Contact Agent

Inspections by appointment only - Contact Lewis 0487 957 883 OR Joanne 0402 996 622 to arrange a viewing. A residence that brings contemporary quality, convenience and the coast together to offer the certainty of lifestyle success, this bright, inviting townhouse offers all the appeal of community orientated, culturally rich Williamstown. The vibrancy and versatility of the 3 bedroom, 3 bathroom design is demonstrated by 2 bedrooms and 2 bathrooms including an ensuite on the alluring ground floor level. Luxurious accommodation also defines the top floor main suite/parents' retreat where balcony sights reach out to Port Melbourne's waterfront cranes and the city skyline beyond. In between, a first floor dedicated to living and dining features light-filled dimensions accompanied by a north-facing balcony and a separately zoned kitchen/meals area with stone benches, stainless steel appliances and its own cool look and welcoming feel. Hardwood floors, split system heating/cooling across each level, a covered courtyard with storage and secure garaging for 2 cars accessed by remote control entry add to the desirability of this designer address. Williamston North Primary School, Westbourne Grammar, North Williamstown station, shops, cafes and the beach all so easily reached!
