$420 per week

This neat home sits on a large 2112m2 block of land and is now available for lease. The home consist of two bedrooms, one of which contains large built in robes - perfect for your storage needs. There is a good sized lounge room at the front of the home that offers large windows to flood natural light through the space and a split system air conditioner. The central main bathroom offers a separate shower and bath and the kitchen shares with the dining space that includes electric cooking. There is a mud room off the back laundry and separate toilet and leads through, out to the large backyard that is fenced off at the side of the property. The front of the home you will notice a convenient space to the home that is off the main road and a large driveway with plenty of parking space inside the front gate. There is also a large shed and workshop separated by an internal wall, with low and high shelving for convenience.** Please note due to the size of this block, a ride on mower may be required**
