Delivering a canvas for renovation as vast as your imagination, this storied 4-bedroom home stands ready to unveil its magnificent space and the promise of brilliant indoor-outdoor living, on a comprehensive natural allotment spanning a picturesque 1-acre/4,065 sqm (approx.). A vast portico entrance accentuates the space of a well-zoned interior that positions two light-letting living spaces around a classic timber kitchen. A substantial alfresco deck is primed for grand gatherings that spill onto the extensive lawn, seeming to vanish into the established eucalypts dotted across the rear. The needs of a modern family are met with four robed bedrooms along the hallway with an updated bathroom, laundry, and a separate toilet, led by the main bedroom with a hidden walk-in robe and a private ensuite. Practicality is paramount with two double carports and a single garage/workshop, while comfort is provided with split-system air conditioning, ducted heating, and ceiling fans. Rest easy in its abundantly comfortable bounds, or take inspiration from its revered Frankston South locale for a masterful renovation, positioned minutes from the zoned Frankston High and Derinya Primary schools, with Mount Eliza Village a short commute away.
