This well appointed family home is conveniently located within close proximity to all amenities including schools, shopping centres, parks and transport, including the Sydney Metro Northwest. This home offers a functional floor plan with modern features and all the comforts you could ask for. The Upper level accommodates four bedrooms, master with walk-in robe & ensuite and built ins to other bedrooms, large rumpus room and family bathroom. Downstairs features kitchen equipped with stone bench tops, gas cooking, dishwasher and a walk in pantry, flowing on to open plan living room and opening out to undercover alfresco and good sized backyard. There is also an additional theatre room / formal lounge room and 3rd bathroom. Added features include single automated garage, ducted air conditioning, video intercom and an abundance of storage making this property a must to inspect.
