\$515,000

While there are always a bunch of houses for sale, the warmth and sense of a true home is rarely found. Overflowing with charm, this lovely three-bedroom residence offers a mixture of gorgeous character that's primarily set on beautiful parklands complete with a children's play gym where you will be able to embrace every new day with the live sounds of native Australian birdlife welcoming the Sun all from your own front yard. It's as if you are on a sanctuary style retreat, but really, you're still home! With wonderfully manicured gardens teeming with gorgeous Australian Native flora, step via the Colourbond paved patio into your formal entrance where heightened ceilings feature throughout. A generous master suite encompasses a feature box-bay window and dual built-in robes leading to the dual access central bathroom. While in pristine condition, the laminate kitchen offers modern cooking appliances and ample cabinetry, all ready for any budding chef to whisk up their next masterpiece all while overlooking the sparse open plan living and dining that's all drenched in natural light. Economical gas heating and split system cooling will keep your internal climate as desired all year round. The bonus of a solar energy system will also help greatly to keep those pesky power bills at a minimum. The rear yard is another private oasis ideal for entertaining while also secure for your pets or children to roam free and explore. Further features entail Roman window blinds, select Colourbond roofing and upgraded brickwork, carport, planter boxes and Colourbond fencing. While the setting is nothing short of gorgeous, being contained in the Wyndham Green Estate, you also have many opportunities to venture out enjoy the scenery at Lollipop Creek, Oak Tree Playground and adjoining tennis court, all nearly the Barbeque ground and Wyndham Green Rotunda. If the idea of your home being your own personal postcard, then we'd suggest that time is of the essence here as we don't have a plan "B" for you should you miss out! See you soon!
