Elegance unfolds as soon as you step inside, as the sunlight dances across the soaring 3.3 metre high ceilings. The kitchen, more than just a chef's dream, boasting a magnificent marble counter, a spacious pantry, built in appliances, limitless cabinetry and skylights that bathe the space in a soft glow. A second kitchen adds a touch of convenience for those culinary moments. The bedrooms are sanctuaries of tranquility, offering space and grace in equal measure. The master retreat, with its private ensuite, is a testament to elegance and comfort. The main bathroom offers a gorgeous bathtub, and shares similar qualities with the separate powder room; with floor to ceiling tiles and floating marble vanities. This residence is more than merely bricks and mortar; it's a canvas for a life well-lived. An intercom system, a fireplace, refrigerated heating & cooling, spacious laundry with plenty of storage, and a gorgeous light filled sunroom waits patiently for you, each whispering tales of comfort and connection.
