Are you looking for a perfect family home in the heart of West End? This stunning property ticks all the boxes! With four genuine bedrooms and two separate living areas, it's perfect for even the most demanding families. And, if you like to entertain, the spacious outdoor area is sure to impress your guests. This home is as genuine as it gets in West End, and it's located within walking distance to schools, sports grounds, walking tracks, and convenience stores. The master bedroom is spacious and features a walk-in robe and an ensuite, making it the perfect place to relax after a long day. The three remaining bedrooms are also a great size and offer plenty of privacy. Plus, this family home is equipped with central heating, split systems, and solar power, making it comfortable and energy efficient. And the best part? It's priced to sell! Don't miss out on this incredible opportunity to own a beautiful family home in one of West End's most sought-after neighborhoods. Schedule a viewing today and see for yourself why this home is worth every penny.
