Stylishly renovated with relaxing indoor-outdoor connections and the coveted prize of rear parking, this pristine 3 bedroom brick residence merges a mid-century sense of character with an open and airy alfresco spirit. Attractively rendered and set behind easy care gardens, the home is picture perfect in a sought-after inner-urban location, just metres from Cruickshank Park and Coles Yarraville and moments from Yarraville Village. Streams of natural light perfectly complement polished hardwood flooring, as an attractive kitchen with waterfall-edged stone benches, a SMEG oven / cooktop and open-plan dining / living flows outdoors to a private alfresco entertainers' oasis. Suited to younger families as well as entertainers, the deck and paved outdoor living wrap around to a second deck and an easy-care backyard. Secure, rear access parking is a wonderful bonus - without compromising on outdoor living. A fully-tiled central bathroom is sparkling and perfectly 'on trend'. Each of the bedrooms is zoned away from living with built-in robe storage - one also with a fireplace. Additional highlights include ducted heating, cooling and a paved front outdoor living area that is the perfect place for watching the world go by. This is a sought-after family pocket near wonderful parkland, sporting facilities, childcare and plenty of local buses, as well as city-bound trains from Yarraville Railway Station and all the cafes, bars, restaurants and cinemas of Yarraville Villag
