The 'Art of the Deal' is when a buyer can score a great deal and hopefully maximise future profit down the road so here is a great deal for any owner occupier or investment buyer out there! This fully fenced low maintenance 482m² block has upon it a 10 year old solidly built 4 bedroom, 2 bathroom home that also has a double garage, covered pergola and solar hot water. Upon entering the home, you will find a large formal lounge area located opposite a bedroom. 3 of the 4 bedrooms have ceiling fans, 2 of which also have built in robes with the air conditioned master suite also offering a walk in robe and ensuite. The hub of the home is the centrally located and air conditioned kitchen/dining/family room that also exits out into the covered pergola area. The galley styled kitchen definitely does the job and has the bonus of a pantry and dishwasher to assist with stocking up and cleaning up. A separate laundry completes the package and with all of this being located on a quiet cul de sac street within walking distance to the train station and bus stop whilst also being only a few minutes drive to schools, shops, employment opportunities, public pool, RAAF super base and even the Ipswich CBD.....come on in and be the artist and pickup this great deal!* File photos used to protect the tenants privacy
