Nestled in a serene neighbourhood, this exceptional three bedroom house offers a harmonious blend of comfort and sophistication. Boasting not one, but two spacious living areas, including one thoughtfully combined with a dining space, this home provides the ideal canvas for creating memories and relishing in the joys of everyday living. Immerse yourself in the seamless flow of the open-plan design, where the main living area effortlessly connects to the dining space, making it perfect for both intimate family meals and entertaining guests. With ample natural light pouring in, the ambiance is inviting and warm, setting the stage for countless shared moments. Master bedroom, complete with its own built-in wardrobe for optimal storage. The two additional bedrooms also feature convenient built-in wardrobes, providing ample space to keep your belongings organized and your living areas clutter-free. The standout feature, however, is the thoughtfully designed three-way bathroom that ensures privacy and accessibility for all members of the household. Located in a coveted area with easy access to local amenities, schools, and parks. Make this house your forever home and embrace the endless possibilities it presents including rear lane access.
