While the backyard is a blank canvas you can work with to create your dream oasis, this home is in a perfect location, and beautifully presented. With brand new carpets, blinds, a freshly painted, and the roof has just been repointed, all you need to think about is the design of your backyard. As you step through the front door, you'll be greeted by a spacious formal living area. Just adjacent is the master suite, complete with a walk-in robe and a convenient ensuite. The heart of the home unfolds with a main living area that boasts an exceptionally functional kitchen. The kitchen overlooks the air-conditioned family room, meals, and games room, all with soaring ceiling. The children's wing features three more bedrooms, a second bathroom, laundry, and separate toilet, all tucked away from the main living area. Step into the backyard, and you'll find a spacious outdoor entertaining area, and an expansive area just waiting to be transformed. There's plenty of room for your furry friends to enjoy, as well as the perfect spot for a workshop or pool. Conveniently situated just 230 metres from Stargate Shopping Centre, less than 310 metres to Atwell Primary School, and 1.1km walk to Atwell College, getting the kids to school couldn't be easier. And if you need public transportation, the bus stop is an easy 222 metres away, ready to whisk you to Cockburn Train Station or Aubin Grove Train Station in no time. Don't miss this opportunity to make this versatile and well-located home your own!
