Great location just across the road from the Adelaide River Hotel and Shops. This substantial property feels like a cottage home with its wrap around verandah's that offer views overlooking the green paddocks and seasonal creek that flows to the back of the property. Feel yourself relax as you enter this well established and presented property. A long, dry, driveway leads you to the home where on the left is an enormous 20 m x 12 m shed to park the car, trucks and trailers. In the shed is an office / bedroom, kitchenette and bathroom along with a storage room. The shed has 3 phase power to it as well. The home is semi elevated and has verandah's that offer the most stunning of views. Inside is an expansive open plan living and dining area with a huge well-appointed kitchen as well. The master bedroom has panoramic views over the paddocks and has a sizeable walk-in robe and ensuite. Bedroom 2 also has an ensuite bathroom while bedrooms 3 and 4 share the main bathroom between them. Off the back of the home is an enclosed entertaining area where the kids can run free or you can entertain all year round. This space is accessible from the home or either verandah and it enjoys views over the established tropical gardens and rolling green lawns. On the property is also workman's quarters with 4 bedrooms, 4 bathrooms and a verandah that spans the length of the dwelling. Great if you have seasonal workers or just require somewhere for your mates to stay. A 4 bay stable offers plenty of space for the horses, sheep or cattle and opens onto a large paddock with plenty of feed and water. The property enjoys secure fencing, irrigation, a massive 100,000lt RWT to last the whole year round. Backing onto the Adelaide River, this is the last property on the road so you have little to no neighbours. Situated in the heart of the famous Adelaide River township, plus there is Batchelor only 15 minutes away or 45 mins and your in Coolalinga for your weekly shop. Get away from it all, enjoy the farming lifestyle or just retreat to the serenity and enjoy the rolling green acres and gorgeous views as you sip a cup of tea from the balcony.
