The home is conveniently located within walking distance to the South Fremantle precinct, known for its vibrancy and offering various amenities such as shops, restaurants, and entertainment options. Additionally, South Beach is also within walking distance, providing residents with easy access to the beach and waterfront activities. Offers three bedrooms, the main bedroom has a large built in robe for ample storage and a well appointed ensuite, providing comfort and convenience. The second and third bedrooms also come with built in robes. There is a family bathroom and a separate toilet nearby. The interior features high ceilings and neutral decor throughout, creating a bright and spacious atmosphere. The open plan kitchen, living, and dining area provides a great space for entertaining and everyday living. The landing at the top of the stairs can be used as a study nook or an additional sitting area, adding flexibility to the living space. There is an undercover outdoor area and a low maintenance backyard, which could be perfect for outdoor gatherings or relaxation. Overall, this home appears to offer a mix of modern amenities, quality construction, and a convenient location, making it a promising choice for both homeowners and investors.
