Offers over \$300,000

This solid 3 bedroom home is located in West Gladstone within walking distance to shops, schools, and medical facilities. Part of its character is the polished timber floors throughout and a coolness inside due to the air circulation within the ceiling. The sloping block provides additional space under the house for storage or an entertainment area. Featuring 3 bedrooms, lounge, kitchen, dining, shower and toilet, this home would be ideal for a small family or an investor looking to build their portfolio.
