Seize the opportunity to own an executive investment property with a long-term GROH lease. The current lease is set to expire in August, but there is an offer to renew it for another four years! This well-maintained, 4-bedroom, 2-bathroom home is located in Lakeside and features a fantastic modern layout. The home boasts a spacious open-plan living area and a massive kitchen with ample bench space. Additional highlights include extensive storage options, such as a large walk-in pantry, built-in robes in the bedrooms, and plenty of benchtop and under-bench storage in the laundry. The property also offers a generous outdoor entertainment area overlooking neat landscaped gardens. Buyers looking to occupy will need to act quickly, while investors can benefit from the security of a long-term government lease.
