Once in a while a property comes to the market that makes you stop and say – I WANT THAT HOUSE! Perfectly located opposite the tranquil wetland park that is the center piece of the Heritage Springs estate on a whopping 1,143m² allotment. An incredible 5 living areas, precision built by Carlisle Homes with around 43 squares under roof, plus pergola, this home will impress the most fastidious of buyers. Offering 4 bedrooms plus large study that could easily be a 5th bedroom. The giant master suite features a balcony where the owners can blissfully take in the surrounding wetland views. A WIR and large ensuite with twin showers and vanities are also part of the package. The remaining bedrooms are all double with BIR's. The main bathroom features a spa bath. The massive kitchen will take care of any cooking needs, 900mm stainless free standing oven and dish washer. Island breakfast bar and bi-fold servery windows out to the alfresco. There is a dedicated theatre room, family room and meals area. Ducted refrigerated A/C and heating. A triple garage with internal access and rear roller door lead to a huge pergola. Easy access to the massive backyard for storing the biggest of caravans or boats is a breeze through the double gates. Despite the size of the home, energy efficiency has been thought of with LED down lights, tinted windows and a 4.5kw solar panel system. A highly sought after location with a dream home and block size make this a truly rare opportunity! real estate pakenham, pakenham real estate agents, real estate, rental properties
