One of Inglewood's lovely modern homes, built in 1985, this excellently positioned family home offers quality fixtures and fittings, all within an easy functioning family home. Set on a Central Township allotment of 978m², this family home presents in immaculate condition. Offering 3 big spacious bedrooms with the Master bedroom having a deep walk in robe & Ensuite, the other bedrooms with built in robes. Kitchen /Dining area flows easily together with plenty of timber cupboards & benchtop space. All electric cooking, "Westinghouse" wall oven & separate hotplates, "Dishlex" dishwasher & large breakfast bar. Separate lounge room with small reading nook, second small dining area. Large bathroom with separate Shower, Bath & Vanity along with a big Laundry with separate Toilet. Heating & cooling is from the Reverse Cycle, ducted units. Outside the home, is pristine in its presentation with a lovely patio on the East side & a small fernery on the West side. Coupled with a large double carport with enclosed fencing in the backyard, this home is very Pet friendly. A 6m x 7.5m Colorbond shed in the rear yard, compliments the home with full 240V power & cement floor, allowing for the multi-use of extra car space or small workshop. With the established garden beds for vegies to grow, as well as the growing small orchard, there is nothing to do except move in & enjoy your reward. Nestled close to the main Shopping Centre & bowling green, this sale presents a perfect opportunity to move into the township precinct or grow your Real Estate portfolio. Inspection will delight.
