\$350,000

This comfortable home was built in the 1950's for the workers on the Oberon Dam. Hidden behind attractive established gardens which are simply a delight. • Two bedrooms, lounge room, bathroom with shower recess and vanity, separate wc which is always appreciated, original laundry • The kitchen has been updated and dining area is a good size • Natural gas heating and cooking • North facing views from the rear • The home needs a bit of TLC but with a bit of hard work a fresh update in your own style could be quickly gained • The yard is nicely sized at 556 square metres and there is a garden shed for the mower • Established gardens offer privacy from the street Highly suitable as an investment property with good rental potential or a great start for a first home buyer, this property is worth considering. Pop it on your list of prospects. Disclaimer: All information contained herein is gathered from sources we believe reliable. We have no reason to doubt its accuracy, however, we cannot guarantee it.
