Are you looking for a modern lowset brick home in Tinana that's ready for you to move into right away? If so, then this is the one for you! Situated on a 3,990m² allotment, this four bedroom family home has an endless amount of features to love. The master bedroom comes complete with a walk-in-robe and a new ensuite, installed 2023. The kitchen has also been recently renovated, fitted out with ample storage space and top of the range appliances including: - 900mm Westinghouse pyrolytic air fryer oven - 900mm Westinghouse induction cooktop with interfaced extractor system - Fisher & Paykel double drawer dishwasher Other indoor features to love: - Large living area - Air-conditioning with Nano Technology - Tinted windows for added privacy - Updated main bathroom and separate toilet Outside you will find your own little holiday destination. The back deck is a prime spot to overlook the yard and be on the lookout for koalas as the property is adjacent to the koala conservation boundary. In summer you can relax and cool off in the saltwater pool or, if you don't feel like swimming, simply relax poolside in your very own cabana. Other outdoor features to love: - Double bay powered shed - Separate carport - Garden shed - Multi-purpose container equipped with air-conditioning and plumbing - NBN satellite - Town water For more information contact Nikki Harmer today!
