If a low maintenance home in a convenient central location, and, at an affordable price point sounds like your new home or your new investment ... then here it is...Designed for coastal living this property is the biggest floorplan configuration on offer in The Lady Nelson estate, with a large tiled open living area that has direct access to the covered north facing entertaining area. Not to mention the double garage which has plenty of storage space along with work benches and drive through to a rear carport - the ideal spot for the boat or van. Plus, with extras like air conditioning, ceiling fans and ensuite, everything is catered for. This home is just right - The right size, in the right position, and at the right price.
