This lovely home is located in the very popular Mandalay Estate with renowned golf course, great parks, primary school & eateries such as Club Mandalay and Hunter's Tryst. Beveridge is an easy commute to Melbourne via the very accessible Hume Freeway and it is rapidly expanding allowing for an increasing population. Comprising five bedrooms, this fantastic family home has loads of potential. There are four/five bedrooms with built in robes and the big master has a very generous walk-in robe, adjacent to the ensuite. Three living areas consist of a sitting room plus lounge and meals that have a northerly aspect. The well-appointed kitchen has loads of storage, dishwasher, 900 mm gas/electric oven and a study nook which is fantastic for helping school age children while you're busy cooking up a storm. Evaporative cooling and ducted heating maintain a comfortable temperature year-round and there is internal access to the double car garage. This is a fantastic opportunity to secure a great home in a fabulous location. Call me on 0417 012 041 or email me at gailk@hessrealestate.com.au I'm waiting for your call!
