SKYE: Offering a lifestyle of quiet comfort, serenity and ease so close to shops, eateries and meandering reserve trails, this 3 bedroom family home delights with its pristine presentation, light-filled interior and free-flowing floorplan that spills out to a North-facing alfresco with garden surrounds. An enticing opportunity to step onto the property ladder, upsize, downsize or launch a portfolio, the residence itself features interconnected living and dining zones with generous light, soft waffle carpeting and muted contemporary tones. The sleek modern kitchen is well appointed with a gas cooktop, stainless-steel oven and dishwasher, while sliding glass doors flank the meals area and allow for an easy flow into the covered BBQ terrace. Backdropped by borrowed views of the neighbouring tall tropical trees, this space is one of the major selling attractions! The oversized master bedroom doesn't disappoint with its generous proportions, walk-in robe and private ensuite in this family-focused layout which nestles the 2 children's robed bedrooms within their own wing with easy access to the family bathroom. A walkable distance to Skye Primary School, Flinders College, Carrum Downs Plaza and the Pines Flora and Fauna Reserve, 23 McDonald Street is complete with ducted heating, split-system air-conditioning plus a double garage with secure internal access to the entry hall. **BOOK AN INSPECTION TODAY, IT MAY BE GONE TOMORROW - PHOTO ID REQUIRED AT OPEN FOR INSPECTIONS!** **DISCLAIMERS:** Every precaution has been taken to establish the accuracy of the above information, however, it does not constitute any representation by the vendor, agent or agency.
