Discover a piece of history set back from the road in this enchanting historic homestead built in 1899, on a sprawling 1-acre landscaped garden with its own resident wildlife. This timeless gem has been meticulously restored inside and out, showcasing intricate pressed metal panels, soaring high ceilings and the beauty of stained-glass windows. Three generous bedrooms, a spacious study and lounge warmed by a wood heater. With two bathrooms including a master ensuite with luxurious spa and WIW, your comfort is paramount. Step from your kitchen through french doors to your decking to entertain friends & family. Notable features include three large water tanks, solar panels and the convenience of being close to a primary school and pristine waters. Including substantial shedding for cars, caravan or boat. Call First National King & Heath today.
