This is a big home with high ceilings, it has 4 big bedrooms all with robes PLUS a study, a big kitchen with new oven and dishwasher, multiple living areas and updated bathrooms on land that is flat, usable and superbly laid out. The location - we have sold 2 in this street and its just a fantastic place to live. Nestled into the end of the cul-de-sac, it backs onto the walk trails that get you all the way to Parky and its right between Mundaring and Parkerville. And the workshop (which I know everyone wants) is a powered 9m x 6m plus a caravan or camper open section to total about 12m x 6m. There are 2 sliding triple doors and all of that accessible through its own gated entry! There are raised garden beds all reticulated off two big water tanks and pump. It has solar, ducted cooling, a wood imitation gas fire place and solar panels! There is a large outdoor entertainment area too. Inside, this is a really good home - its a lovely lovely place to live. The bedrooms are big, the robes are in every bedroom, the back living area is super spacious, there are new appliances, solar, high ceilings and more. Get in quick because this one is selling fast.
