Home buyers and investors, here is a fantastic opportunity to purchase this well presented home in a convenient location that gives you walking distance to schools, Broadmeadows Shopping Centre and Broadmeadows Train Station. Upon entry you will notice a lounge area, three bedrooms one with BIR'S, a well-maintained kitchen, fully function bathroom and a separate toilet and single garage. Outside you will notice well-kept gardens, and room for the kids to play. Other features include ducted heating, ceiling fans in all bedrooms and lounge, ample shedding and much more, and all this within walking distance to the township of Broadmeadows and with Melbourne airport only few KMS away. Inspection highly recommended. An ideal first home or first up investment property to simply move in with potential to subdivide in the future.
