The Brighton is a compact four-bedroom home ideal for wider, shorter blocks, optimised with good separation of private spaces and an open plan entertaining area. The bedrooms are well spaced throughout the home with two located at the rear of the home and two at the front. Off the foyer is the generous master suite including an ensuite and walk in robe, while the fourth bedroom can be used as a study, office, or guest room. The open plan living combines the kitchen, family, dining, lounge and alfresco for a spacious and enjoyable family home for all occasions. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Brighton offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the rear & side of the home, providing sustainable and comfortable living conditions throughout the year.
