Catering to the whole family, this superbly enhanced tri-level home is favoured for its multiple indoor/outdoor living zones, premium updates, and its huge remote-controlled six car garage, ideal for enthusiastic car collectors, trades people and those who love to get out on the water. Beyond its striking red brick façade sits a spacious interior complemented by new and stylish flooring flowing over an open plan. The on-trend chef's kitchen is well-appointed in quality stainless-steel appliances, generous breakfast bar and ample cabinetry. Meanwhile, the airy dining/family domain with fireplace makes it easy to host as it's flanked by a low-maintenance courtyard starring pizza oven, plus separate entertainer's terrace. Add to this, a top floor study or home office that leads to a relaxed balcony boasting a sunny northerly orientation. Two chic central bathrooms service the four comfortable bedrooms, while the master chamber also has access to an additional complementary ensuite. Other features include heating/cooling, full-size laundry, 2nd home office/study, cellar, electric gate and extra driveway off-street-parking. Less than 11km to our vivacious city centre and ideally zoned to Strathmore Secondary College and Strathmore North Primary, you are only moments to buses, schools, parkland and quick admission to city/airport-bound freeways. Just a short drive to lively Napier Street attractions, Oak Park Sports/Aquatic Centre and Pascoe Vale Station.
