Superbly located in a spectacular, extremely quiet natural bush setting only 5 minutes from Berri's CBD, is this large, beautifully maintained home. There is a freshly re-tiled underground swimming pool which features a new sand filter and chlorinator. The large carport provides ample parking for cars, boats and caravans. The custom built solid Tasmanian oak kitchen is stunning, and complements the natural bush setting nicely. All bedrooms feature built in robes for added convenience. There is a large shed as well as a smaller garden shed, providing ample room for the home handyman and his tools. The predominantly native garden is easily maintained, with a fully automated irrigation system leaving ample time for other pursuits. Pets are negotiable. With open plan living, ample bench space and room to move this property is sure to go quickly!
