Large beach home on a 1022m2 elevated corner block.

A true beach house with endless opportunities. Only 300m to the famous Trinity Beach, this large 5 bedroom home is perfect for a growing family or an astute buyer who could use this property as a dual income investment. Yes, this could even be a terrific AIRBNB opportunity.

Troy McGuane from Ray White presents: 23 Redman Street, Trinity Beach.

With plenty of greenery to seclude this large block, you will immediately feel like you are on a holiday. The elevated lot provides great breezes and with the very large inground pool, you could spend your days relaxing in one of Trinity Beaches best locations. Upon entering the property via the foyer, you will notice the large living areas which all have views to the outdoor area and pool. The large kitchen is well-equipped and perfect for entertaining; and there is even a bar for you to enjoy. The pool and outdoor area have a hidden garden, which is perfect to get some shade in the outdoor pergola.

The private master bedroom has ultra-high ceilings and a huge walk-in robe with a great ensuite. The two other bedrooms in the main area of the home are both light-filled and welcoming. To the rear of the property, there are another two bedrooms, bathroom and laundry plus a large living area perfect to use as a media room. Alternatively, as this section of the home can be isolated, you could turn this part of the property into a two bedroom unit as it has its own entrance. There is also a large safe in the property, perfect to use as a wine cellar or storage.

Behind the house is a flat parcel of land, perfect to accommodate a shed, caravan or boat, and possibly the ability to construct another dwelling (STCA).

This property really is an awesome opportunity.

Come and have a look at this comprehensive home, as it won't last long.
