This fantastic three-bedroom shack with stunning sunlit north facing views of the Great Lake is something rather special! The shack is set on just over half an acre on a gentle northerly sloping block and is situated perfectly between the Miena Hotel, Central Highland Lodge and the Miena boat ramp! This shack is perfect for the weekend getaway, fulltime resident or to entertain as it has a large deck with stunning views that flows from the living/dining area. The yard has ample land to build a large shed (STCA) for boat/vehicle storage or just to keep as the natural bushland that is currently is. A large lounge room and dining compliment this shack and give the ability for multiple people to enjoy without feeling cramped. Three well sized bedrooms with beds to sleep up to seven people at once is a fantastic feature to this property alongside a spacious bathroom with a shower and bath plus a separate toilet at the front door entry which is a fantastic design. Miena is the heart of the Central Highlands and is a mecca for fishing for the Tasmanian wild Brown Trout and also for watching the local wildlife including Fallow Deer, Wombats, Wallabies and extensive birdlife. Properties like these do not last long in the Highlands, to express your interest or to book a private inspection please contact the listing agent Kurt Knowles today!
