Here is a rare opportunity to purchase a 1487sqm (approx) block of land in Sorrento's highly sought after Sailing Club precinct. Only 300m meters to the Sorrento front beach and a short stroll to Sorrento Village. If it's prime real estate you have been after then this is it! Build an architecturally inspired home of your own (STCA), or open the door to this totally refurbished solid home with split faced brickwork, elongated roof line, spacious entertainers deck area. Enjoy a magnificent open plan living room with polished timber floors throughout that exudes the era with structural roof beams and floor to ceiling windows and delight yourself with the modern stone kitchen. Four bedrooms, main bathroom and outdoor shower area. A well thought out separate parents retreat or bunk room creates an understated and laidback atmosphere. Possibility to subdivide (STCA)
