THIS IS SO GOOD! The best position in Bowen overlooking Port Denison with all of its beauty and features. This massive 1568 sq.m. lot has a full 20 metre frontage with a depth of 78 metres approximately. With frontage to Thomas Street and also to Quay Street on the seaward side this one has a superb future as the site of the home of your dreams but it also has some development possibilities - something for you to speak to the Council about. Long walks, days and evenings relaxing and looking out to sea. Life here for you will be good and an absolute dream as a place to love and live. Enjoy the ultimate convenience of being able to walk to the Grand View Hotel, to the supermarket and to the harbourfront parkland. This fully serviced site is ready and waiting for you to bring your ideas and ambitions and realise a seaside dream. Call us to discuss this great and rare opportunity.
