This three bedroom home that had a complete makeover in recent times is on the market. From front to back and top to bottom, this classically pretty home received a brand new lease of light, life and luxury in a location that lets you walk to every Scottsdale attraction! Pristine paint and the impact of the charming façade are the first signs that this home has adopted a sensationally up to date identity, an impression that's instantly confirmed by indoor spaces including a living and dining area featuring flawlessly polished hardwood floorboards. The contemporary quality of the kitchen, an open-plan zone equipped with broad benches, ample cabinetry and stainless steel appliances, adds to the attraction while the beauty of the bathroom enhances the inviting three bedroom accommodation. A substantial mud room, separate laundry and reverse cycle heating/cooling accompany a comprehensively refreshed, revived and renewed residence, surrounded by a welcoming garden with great decking, an elegant gazebo and plentiful off street parking. The shopping, sports facilities and schools that illustrate Scottsdale's lifestyle ease are all readily accessed from this outstanding address! The property is currently leased out for \$390 p/w until the end of July 2024.
