Discover the epitome of elevated living in this four-bedroom, two-bathroom home boasting breathtaking panoramic views of both water and mountains. Nestled on a hill, this property offers a unique blend of serenity and spaciousness. Key Features: Bedrooms: Four bedrooms strategically spread throughout the layout, providing enhanced privacy. The master suite features generous space, a built-in robe, and an ensuite, while all other bedrooms come equipped with built-in robes. Views: Enjoy sweeping vistas from every corner of the open plan kitchen, dining, and living areas. The living room, in particular, offers fabulous views in every direction. Bathrooms: The master ensuite, as well as the main bathroom, ensures convenience with a separate shower and bath. The toilet and laundry are thoughtfully placed in separate areas. Entertainment: A rumpus/sunroom beckons for year-round entertaining against the backdrop of stunning scenery. Climate Control: Stay comfortable in all seasons with the reverse cycle heat pump. Outdoor Amenities: Tenant-friendly garden shed and an array of fruit trees dotting the landscape. An irrigation system is in place, ensuring effortless garden maintenance. Location: Perched atop a hill, this residence offers not only a home but a lifestyle surrounded by nature's beauty. Availability: This captivating property is available for lease, presenting an opportunity to embrace a unique living experience. Please register your interest to secure your inspection. Pets considered upon application.
