Elevated to take in the rural views, this recently renovated home bridges two worlds, a country life plus walk to town convenience. The character filled home offers 5 bedrooms, 3 bathrooms, and large open plan living/dining/kitchen. Timber floors, slow combustion wood fire and lead light windows offer a relaxed, country style ambiance. Entertainer's will love the new kitchen with shaker cabinetry, gas cooktop, deep butler sink and informal dining island. The dining area opens onto a spacious, elevated terrace with built in barbecue for casual al fresco meals or congregate around the fire pit, being tantalised by the delicious aroma of home made pizzas cooked in your very own pizza oven. The new master suite is generous in size with French doors plus sliding door access to the verandah, ideal for the warm summer nights. Featuring a spacious walk-in robe and luxurious ensuite with brass look tapware, timber wall hung vanity and a deep claw footed bathtub to soak in. An additional two large bedrooms with built-in robes and family bathroom complete the upstairs area. Downstairs is a dedicated office space, two more bedrooms, bathroom, laundry and large storage area. The original drive through shed or garage, is currently used to store the garden equipment and beach toys. The back yard is super-sized for a self provisioning lifestyle of home grown vegies, orchards and chooks, but also offers room for a pool, studio/guest accommodation or additional sheds. Located in a quiet street, within walking distance to schools, shops and some of the best cafes and restaurants Milton has to offer.
