Perched gracefully on a sprawling 9759m² approx plot, this enchanting three-bedroom log cabin commands awe-inspiring views of the Kinglake Ranges, Mt Disappointment, and the vast expanse beyond. As the seasons waltz through their timeless cycles, the landscape undergoes a mesmerizing transformation, captivating all who behold it. During sun-kissed months, the front verandah invites you to recline with friends, while in the frost-kissed embrace of winter, the full-height windows in the living room and main bedroom frame nature's tableau. Embracing the timeless wisdom that "simplicity often holds the greatest treasures," this warm and inviting timber cottage beckons you to embrace the tree-change lifestyle just beyond Whittlesea. Whether you seek respite from the city's clamour or a tranquil weekend haven, this property stands as an auspicious beginning to your journey.***PHOTO ID REQUIRED AT OPEN FOR INSPECTIONS***
