- Light-filled apartment in the Tiara development- Open plan living and dining with banks of glass- Contemporary kitchen with stone benches and stainless steel appliances- Two superb bedrooms with fitted wardrobes- Fresh & modern bathroom with laundry provisions- Split system heating/cooling & video intercom entry- Allocated basement parking and storage cage- Residents' heated pool plus building manager

Live a glistening lifestyle thanks to this light-filled apartment within the sparkling Tiara development. Offering a layout made for easy living and oriented to capture sensational natural light, the home features banks of glass to take in stunning urban views of the Docklands and beyond. Dishing up a contemporary kitchen topped with stone and appointed with quality stainless steel appliances, the layout is desirably open plan to the living and dining zone that spills out to a well-sized balcony where the view are at their best. Both of the bedrooms are superbly proportioned and benefit from fitted wardrobes, they share the fresh & modern bathroom which houses handy provisions for laundry facilities while desirably security comes with intercom entry to the building. Offering the comfort of split system heating/cooling there is also a highly desired inclusion of an allocated parking space and storage to conclude an appealing lifestyle abode. With Tiara living comes a heated indoor pool and building manager along with a position opposite the Exhibition Centre, metres to the Crown Complex and within a walk of the CBD and South Melbourne market.
