Looking for that dream urban living together with contemporary style, attractive amenities and convenience location all in one? Read on. Nested at the very heart of Melbourne CBD it is located at one of the very prime locations and just to name a few it is surrounded by public transport, Victoria Market, cafe restaurants and shops. Step inside you will immediately be impressed by this North facing 2 bedrooms and 2 bathrooms apartment with open planned modern kitchen connecting to the naturally well-lit living spaces throughout the day. All bedrooms are equipped with built in robes and carpeted flooring while the master bedroom has a private ensuite and a generously sized balcony with excellent open view. The building is also well equipped with 6 lifts and secure entrance. After a long busy day you may want to consider visiting the building facilities including Swimming pool and spa, gymnasium, sauna & steam room, entertaining rooms with dedicated kitchens, outdoor BBQ terrace and cinema all at the convenience of same building location.
