Perfectly positioned in the Ivy complex in Phillip, is this stunning 2 bedroom apartment which has sweeping views that will take your breath away. Superbly designed, clean lines, light filled northern aspect and an incredible amount of amenities at your disposal are just some of the features on show here that are sure to impress. The open plan design truly makes the most of the outlook you have on the 12th floor. An abundance of windows and natural light flooding in will make you never want to leave. The well appointed kitchen flows into the excellent living space, and comes with stone bench tops, breakfast bar and induction cook top. The bedrooms are both well sized, come with built in robes and have direct access out onto the wrap around balcony. Meaning you can take in the sunrise or sunset from every aspect of the home. The complex is fully equipped for you to elevate your lifestyle. With an indoor pool, indoor spa and yoga center as part of the free to use rejuvenation center. With an additional large outdoor pool, sauna, excellent gym, yoga lawn and outdoor entertaining space, you'll be spoilt for choice for activities. This is truly a magnificent opportunity to secure for yourself, and too good to pass on. Call Antony 0473 444 666 or Simran 0424 636 448 today to book your next inspection.
