Noosa Dual Master 2 Bedrooms plus Study/Media Room

The new floorplan takes our best-selling design to a higher level with larger bathrooms, additional storage and enhanced finishes providing unrivalled luxury. The premium design elements of the original Noosa have been kept; butler's pantry & server, brilliant kitchen with a stone benchtop and dual courtyards. Both master bedrooms include en-suites, one with a double vanity for those who like their own bathroom space. The beautiful high ceilings offer a light and spacious feel while keeping you cooler in summer. Exclusive to the Noosa, one courtyard includes a convenient server and retractable awning and the other has handy garage access. The lock up double garage includes the laundry and lots of storage room. The Noosa Dual Master is our signature home and the one you have been waiting for.
