This delightfully renovated 3 bedroom family home will surely impress. Well presented and offering contemporary living in a convenient location. Features include: built-ins to all bedrooms, polished timber floors and ducted a/c throughout, free flowing open plan living which leads out to a lovely covered rear deck overlooking landscaped gardens. There is also an additional undercover area. The kitchen features quality stainless steel appliances, including gas cooktop and dishwasher with additional pantry cupboards. A converted garage offers more room as a teenage retreat, office or study. There's also an additional toilet in the laundry as well as overhead storage. Room for a car off the street, with plenty of parking out the front door. Only metres away from a bus stop which runs down to Parramatta CBD and Sydney CBD. Treasured family pets may be considered.
