Based on our most popular design because of its innovative yet functional floorplan - architecturally designed for you to make the most of our ideal local climate. Among the many unique features are the dual courtyards providing two alfresco options. High ceilings throughout and engineered premium oak flooring combine to create a feeling of rare sophistication. Incorporating two master bedrooms with en-suites, the main bedroom also has access to the courtyard. The double garage guarantees extra storage and naturally the convenience of internal access. For high end living, this home ticks all the boxes and inspection is a must. Extra features include an electric folding arm awning to one courtyard, 3.12kw grid connect PV solar panels, security front door, insulation in garage roof and door and additional concreting at the front. With its warm sense of community, and only moments to shops, eateries and beaches this home provides all the elements for relaxing, comfortable and easycare living.
