Offering a lifestyle away from the hustle and bustle of town living is this attractive property located between Maffra and Stratford. Set on approximately 3678m² or just under an acre this home combines the benefit of lifestyle living with a rural aspect. A solid brick veneer home with verandah's and double garage, combined with a good sized storage shed. An open plan kitchen and dining rooms adjoin the lounge, with the three bedrooms and bathroom completing the remainder of the floorplan. Heating and cooling all taken care off with wood heating and a reverse cycle unit. The home is set central to the block creating blend of front and rear yards.
