Imagine lazy Summer days by the pool, entertaining friends in the alfresco, snoozing in front of the open fire or enjoying a little healthy competition in the enormous games room complete with soaring ceilings and a built-in bar. This thoughtfully designed four bedroom, three bathroom family haven, plus handy study/home office, is everybody's dream. On just over 1,000m<sup>2</sup> allotment, filled with an abundance of natural light, the spacious kitchen/living/dining/games zone is undeniably the heart of this stunning home. Delivering stone benchtops, ample timber cabinetry, walk-in pantry, breakfast bar and stainless steel appliances, the kitchen is a cook's delight. The luxurious master suite offers a walk-in robe and ultramodern ensuite while the other generous bedrooms have built-in robes and share two further stylish bathrooms. Anchored by cathedral ceilings and clerestory windows, a separate formal lounge provides an inviting relaxation space. A host of fantastic extra features includes an integrated double garage with huge workshop, inground pool with spa, heating/cooling, alarm, shed, manicured gardens and plenty of off-street parking. Schools, popular Keilor Village, walking/cycling trails and freeway are nearby.
