From cute to cutting-edge, this mid-century classic has gone through a spectacular transformation to deliver a lifestyle of quality and class beyond compare. Thoughtfully redesigned and magnificently delivered, the home's luminous interior showcases three bedrooms (large master) all with fitted robes complemented by two luxurious bathrooms (main with freestanding tub) and separate powder room. A study alcove with integrated workstation adds to the allure as well as a spacious open plan living/dining area serviced by a superb kitchen with custom joinery, stone surfaces and quality appliances including dual ovens and integrated dishwasher. Other high-end features include zoned ducted heating/refrigerated cooling, ceiling fans to all bedrooms, keyless entry, modern laundry, premium carpets and floors. Bi folds reveal an outdoor entertaining deck, private backyard with lush lawn and perimeter gardens, plus the unique advantage of an oversized double garage/workshop. Bus stop at your doorstep, it's also close to local cafes, Coburg Hill Shopping Centre and Gilbert Road trams, as well as easy access to popular schools and kinder/childcare facilities, Edgars Creek parkland and Regent Station.
