This exquisite free standing 4-bedroom, 3-bathroom home is packed with impressive features and boasts a luxurious design that will captivate even the most discerning buyer, offering a wonderful living experience. As you step inside, you will be greeted by soaring 3-meter high ceilings that create an airy and spacious atmosphere both downstairs and upstairs. The full-length windows in each bedroom allow an abundance of natural light to flood the interior, creating a bright and welcoming ambiance throughout. Constructed with a solid concrete slab and brick, this home offers durability and longevity. The European Oak Flooring runs seamlessly throughout the house, while the Kit-Kat tiled feature bathrooms add a touch of elegance to the space. Every detail has been carefully considered, including the top-of-the-line gold tapware that exudes luxury. Equipped with smart home technology, an alarm system, and a video intercom system, this residence prioritizes your safety and convenience. The double walk-in robe (WIR) features a natural timber finish, adding warmth and character to the bedrooms. LED mirrors provide both functionality and style, enhancing the overall design aesthetic. Each of the three balconied bedrooms offers breathtaking views of the beautiful jacaranda trees, creating a serene and tranquil retreat. The kitchen is equipped with top-of-the-line Bosch and Asko appliances, ensuring an elevated culinary experience. The outdoor kitchen, complete with a gas cooktop, provides the perfect space for outdoor entertaining. The elegant kitchen design includes a butler's pantry and a curved stone island, emphasizing both functionality and style. High-end bespoke joinery featuring stone topware adds a touch of sophistication to the space. With ducted air-conditioning, comfort is guaranteed throughout the seasons. Open plan living is showcased at its finest, with the kitchen, alfresco area, lounge, and dining seamlessly flowing onto a private lawn. This creates the ideal space for relaxation and entertaining, allowing you to make the most of indoor-outdoor living. Designed by the esteemed ArkExpress Architects and built by quality builders Opal SS Constructions, this home exemplifies exceptional craftsmanship and attention to detail. With its luxurious features, prime location, and impeccable design, this property is a true gem in the real estate market. Don't miss the opportunity to make this dream home your own.
