Well positioned to enjoy easy walking access to Romsey's town centre and Deep Creek Reserve, this comfortable and updated home offers more than meets the eye. Stepping inside, light filled spaces and a neutral colour pallet invite low maintenance living with plenty of convenience. At the centre of the home, a large galley style kitchen offers plenty of preparation and storage space, a dishwasher and electric cooktop, to make home cooking easy. Overlooking an expansive lounge room, this is the perfect place to enjoy much loved family time at home. The freshly painted lounge room enjoys a wood fire heater and dual sliding door access to the great outdoors. Accomodation is ideally provided by three comfortably carpeted bedrooms, with complementing build in robes. A central bathroom offers dual sinks and oversized shower. Located nearby for ease, the generously proportioned laundry provides external access and additional storage. Wandering outside, an undercover and decked alfresco area streams from the residence, offering the perfect vantage point to enjoy all of the Macedon Ranges seasons. Built in box seats span the decking and survey the grassed yard beyond. Additional features include ceiling fans, a split system, a wood fire heater and off street parking,.Please contact Ray White Romsey for more information on 03 5429 6655
