This penthouse offers stunning, uninterrupted panorama of the city framed spectacularly by the iconic Story Bridge which will be internationally recognized as the most famous view of Brisbane. With the Olympics within a decade and the world watching Brisbane, penthouses like this one, with the best vantage points to catch all the excitement and fireworks will be the hottest invitations in town.- Renovations update this penthouse from height-of-1990s luxury- Master bedroom suite includes walk-in robe, ensuite and city views- Flexibility of floorplan creates space for third bedroom/home office- Soaringly high ceilings across all living rooms feel extra spacious- Take advantage of the northeasterly aspect for cross-flow- Open plan living rooms open to wraparound deck with 'Vergola'- Huge 50sqm secure double carpark with extra-large storage- Boutique low-maintenance building with privacy and security- Walking distance to Howard Smith Wharves and CBD- Feels like living in the city but with New Farm characteristics.
