Located on the top floor of River Grande: boasting a beautiful view directly overlooking the Johnstone River, with its fishing boats, the iconic park, sealed river walkways restaurants and bars, and RSL club below on the Esplanade. This is a spectacular two-bedroom, two-bathroom unit, which has recently been renovated with matched furniture, including electricals while being fully air-conditioned with composite fans. It has a secure car park, with a cage/mini workshop downstairs. This 128 sqm apartment is presenting better than new with its upgraded air conditioning and the reconfiguration and addition of another sliding glass door allowing for all-weather access to the spacious balcony overlooking the river. Woolies, Coles, and the post office are only one block away, while the library and council are just behind, with the hospital just a few hundred meters down the road. The best fresh seafood providore in the district is also just a stroll down the Esplanade, where the fisherman unload directly to the store. This is the ultimate lifestyle choice.
