This is a unique opportunity to purchase two separate homes on the same block, catering to diverse living arrangements. Ideal for a family seeking independence for an elderly parent or as a (huge) standalone disability persons unit! Main Residence Highlights: Three good-sized bedrooms. Open-plan living space with solid fuel heating. Well-presented kitchen with modernized appliances. Main bedroom includes a walk-in robe and ensuite. Front and rear verandahs enhance the living experience. Second Home Features: Fully established with two bedrooms. Delightfully presented separate kitchen. Well-equipped bathroom and separate laundry. Spacious open-plan living space. Functions as a complete house with front and rear verandahs. Large double garage & workshop for added convenience. Additional Features: Awesome 20 x 6-meter shed for vehicles, extra storage or workshops. Situated on a generous block of 4289 square meters (just over an acre). The land is filled with established trees, lovely gardens, and additional shedding. Versatile Potential: Unique living arrangements and space for various uses. Offers potential for creative utilization of the expansive property. Community Living: Enjoy the benefits of an exceptional property while being part of the vibrant Glengarry community and all the active neighborhood has to offer.
